

"Acknowledging the good that you already have in your life is the foundation for all abundance."

- Eckhart Tolle, *A New Earth: Awakening to Your Life's Purpose*

Giving Thanks

Harvest festivals abound the world over, everywhere that humans gather to express thankfulness for the bounty of our beautiful Earth. In North America we celebrate [Thanksgiving](#) each autumn. In acknowledgement of everything we have received, TMI is truly grateful.

Thank You, TMI

TMI team members, in a variety of delightful ways, express their appreciation for the opportunity to work on behalf of TMI, with the wonderful folks who support The Institute and its graduates, and who attend programs, visit us online, and hold the energy for the ever further exploration and development of human consciousness.
